## Tomorrow's Cooks

Council home management adviser Beryl Twist is pictured below with some of the sixty-five home economics students from Condell Park High School. They made an attentive and observant audience at a recent electric cooking demonstration in the Bankstown showroom. Cooking is included in the home economics curriculum. The break in school routine and the opportunity to study demonstration techniques were appreciated by all the girls.

The Annual Assac Ceremony.

The Annual Athletics Carnival was won by Roe House; the Annual Swimming Carnival was won by Hargrave House.

Mr.C.G.Meckiff (The Area Director) receiving a framed drawing executed by Jill Cox ( 2nd. Form Art Craft ) and a coil pot by Betty Evans ( 3rd.Form Art Craft ) to be displayed in his office.

The display of Art work from C.P.H.S. at Bankstown Square held in conjunction with "Youth in Action". A framed painting hung in the corridor outside the Headmasters Office was presented for an outstanding display.

Numerous excursions were held throughout the year. The above photograph shows children examining good design in toys at an exhibition held at the Design Centre, Sydney. A lecture was held in conjunction with this.

Pupils in school uniform contrasted with a painting from the 20th. Century American Art Exhibition. Gratitude on behalf of the Art Teacher and pupils was expressed by means of a photographic essay to the lecturer, which has now been filed in the archives of The Metropolitan Museum of Modern Art (New York).

A mannequin parade was held in conjunction with the Annual Fete on October 28th. A few enthusiastic pupils combined the Art and Sewing by hand printing the material and making the garments. However, the major part of the work was by the Sewing Department. Fourth Form pupils in particular modeled work made for their School Certificate.
